

Alabi concept

Enclosures

Specifications

From now on, it is possible to close the shower space of the walk-in range ALABI, thanks to a new additional pivot newly released to complete the range.

We love the possibility to install now the shower space in a longer way than usual completely closed.

- + The ALABI concept gives a total freedom to choose the best dimension for your shower space
- + Open space for a comfortable access or closed space to stop water spreading thanks to an adaptable pivot door
- + The ALABI concept is easy to be installed either on a shower tray or on the floor.

+ **Mat black available**

Product innovations

Super Integrated

Thanks to a special connection, the assembly of KRONE products is easiest as possible. This technicity guarantees purity and elegance to KRONE products.

Composable

With the adjustable products from KRONE brand, you have a total freedom to choose and personalize your products. You will find the expected combinations, as so many different versions exist.

Matte Black

Our unique matt black profile shower enclosure range does not only have a nice design, but also a high "velvet" quality finishing. When you touch faucets or dowers, it feels like touching a peach skin : it won't be peeled neither affected over time.
