### Product innovations

## Super Integrated

Thanks to a special connection, the assembly of KRONE products is easiest as possible. This technicity guarantees purity and elegance to KRONE products.

## Inox Finest

KRONE is the first brand on the market which has used stainless steel for sanitary use. Mirror stainless steel profile brings an exceptional rendering on shower enclosures and walk-in. This high range finishing can be either shiny mirror or brushed. The stainless steel profile KRONE, manufactured with laser cut from our own workshop, brings modernity and quality within any shower space and any bathroom.
