

## Berlin

### Mixers

- 
- + KRONE BY LGINDUSTRIES design
  - + New 2020

- + **2 finishings :**
- + chromed
- + black velvet

Like the water that falls under a waterfall, the elaborate flow of the Berlin faucet rocks you with its softness.

### Product innovations

---

## Matte Black

Our unique matt black profile shower enclosure range does not only have a nice design, but also a high "velvet" quality finishing. When you touch faucets or dhowers, it feels like touching a peach skin : it won't be peeled neither affected over time.

### Added value

---

- + Easy Fix
- + Long lasting finishing
